WARNING:

READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION®2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.

i SAN ANDREAS

is one of the country's most diverse visitor destinations, known for its huge size and incredible variety. Although justly celebrated for its 3 wildly different main cities each with its own style and attractions to offer - Los Santos with its celebrity and sprawling ghettos, San Fierro with its eclectic artist community, and Las Venturas with the glitz and glamour of casinos - it has so much more beyond that; such as mountains, ghost towns, dense forests and hot, dry deserts. Take time to visit the whole state and support local businesses.

AIRPORTS

Need to put some distance between you and your associates? The fastest way out of town is by plane from your nearest airport. There are 3 airports in the San Andreas area, don't expect them to take air miles.

LOS SANTOS AIRPORT

LSX is now the fourth busiest airport in the world. The airport is made up of five gates that are connected by a U-shaped two-level main terminal.

SAN FIERRO AIRPORT

This airport is bordered by the San Fierro Bay and provides a spectacular aerial view of the Gant Bridge as you take off.

LAS VENTURAS AIRPORT

Literally minutes away from the Las Venturas strip, you won't have to wait long to try your hand at the tables.

PERSONAL SAFETY

There isn't a neighborhood in the entire state of San Andreas that we would categorize as 'safe,' so we recommend carrying a weapon at all times. Actually 2 is better. Visit the local Ammu-Nation superstore (see map for details) soon after arrival for firearm supplies.

MONEY

San Andreas is the epitome of consumer society; there's always something new to buy, spending money feels good, you need to spend money to look good and having the latest gear can be pretty important to those around you. Just remember though money isn't everything and some things like respect, can only be earned, not bought. The following credit cards are well reputed throughout the state but generally most people prefer cash.

SAN ANDREAS PHOTO DEVELOPMENT

Capture that special moment and share it with your loved ones. Using the camera in-game, press the **O** button to take a photo. If you are taking the shot because you've been told to, this is enough, no need to save it but if you'd like to save the photo on your memory card, free memory space permitting, press the L1 button. The photo will be stored on your memory card. To view your photos later, press the Start button to enter the Menu and navigate to "Gallery". You can store as many photos as your memory card has space to store.

EATING OUT

The real home of fast food, San Andreas is a Mecca for any fan of burgers, fries, wings, pizza, if it's fast and greasy, it's here and it's deluxe. If you plan on staying any amount of time in San Andreas you'll probably need to start watching what you eat or you may need to make a trip back to the mall for the next size up! Wash it all down with a tasty can of Sprunk! available from all major fast food chains and from vending machines throughout the state.
